MANISH KUMAR ELDASARI

Digital Marketing Specialist | SEO | Paid Media | HubSpot

Brisbane, QLD | 0468 430 765 | manisheldasari@gmail.com | LinkedIn

PROFESSIONAL SUMMARY

Digital Marketing Specialist with 7+ years of B2B experience across Australia, the US and India, with hands-on experience across SEO, SEM, Google Ads, LinkedIn Ads, GA4, email marketing, lead generation and CRM-enabled marketing. Experienced in planning and optimising digital campaigns, analysing channel performance, improving organic visibility, generating qualified leads and using CRM data to strengthen lead nurturing and conversion. Data-driven approach to campaign reporting, A/B testing and continuous optimization.

KEY ACHIEVEMENTS

Lead Generation: Generated approximately 8-10 qualified leads (around 16 raw leads) monthly through multi-channel campaigns, at an estimated $120-$150 per qualified lead.

Paid Media Management: Managed $1,200 in monthly advertising budgets across Google Ads ($800) and Meta Ads ($400).

SEO & Organic Search: Increased organic traffic by 35% (400 to 540 monthly visits) and search impressions by 20% over six months, with 12 target keywords reaching Google's top 10.

Campaign Optimization: Increased Google Ads CTR from 3.2% to 5.1%, reduced CPL by 20% ($130 to $105) and cut wasted clicks by 15% through negative keyword optimization.

Marketing Analytics: Monitored performance using GA4, Google Search Console and SEMrush. Achieved approximately $6 CPC and 6% conversion rate on Google Ads, compared with $1.50 CPC and 3% conversion rate on Meta Ads.

PROFESSIONAL EXPERIENCE

Marketing Coordinator | DW Commercial Cleaning Services - Brisbane, Australia | June 2025 - June 2026 | Part-time

- Planned and executed B2B/B2C digital marketing campaigns across SEO, SEM, Google Ads, Meta Ads, LinkedIn Ads, email marketing and CRM to drive lead generation and customer acquisition.
- Conducted keyword, search-intent, SERP and competitor research using SEMrush; implemented on-page and technical SEO, including metadata, internal linking, crawlability, indexability, XML sitemaps, robots.txt and mobile optimization.
- Managed and optimized paid media campaigns through audience and keyword targeting, negative keywords, search-term analysis, ad copy and creative testing, conversion tracking, and budget allocation.
- Built off-page SEO through link building, local citation listings, Google Business Profile optimization and competitor backlink analysis in SEMrush to strengthen domain authority and local search visibility.
- Applied conversion rate optimization (CRO) principles by analyzing landing pages, user journeys and conversion data to identify improvements in campaign performance.
- Analyzed and reported on SEO, paid media, social media and website performance using GA4, Google Search Console, Google Ads and HubSpot, tracking CTR, CPC, CPL, conversion rates, organic traffic, reach and engagement.
- Leveraged AI-powered marketing tools to support content ideation, campaign planning, audience insights and workflow efficiency.

Marketing & CRM Specialist| PRX Vault - Brisbane, Australia | June 2026 - August 2026 | Part-time

- Managed HubSpot CRM operations across contacts, companies and deals, supporting data quality, governance and reliable marketing processes.
- Built, tested and optimized HubSpot workflows and automation supporting customer journeys, lead management and internal marketing processes.
- Managed email campaigns, segmentation, dynamic lists and deployment, aligning audience logic with campaign and lifecycle requirements.
- Configured forms, properties and lifecycle stages to improve lead capture, qualification and lead progression.
- Built reports and dashboards to monitor campaign performance, lead generation, CRM activity and operational outcomes.
- Collaborated with Marketing and Sales to improve lead management, automation, customer experience

and process efficiency.

Senior Demand Generation Specialist / Acting Team Lead | QualiZeal - India | January 2022 - June 2024

- Led day-to-day B2B demand-generation operations across US markets, coordinating campaign execution, priorities and delivery.
- Managed enterprise-focused demand generation, generating an average of 6 qualified leads per month.
- Executed multi-channel campaigns across email, LinkedIn, lead nurturing and outbound activity to create and progress demand.
- Analyzed campaign performance and A/B test results to identify messaging and engagement optimisation opportunities.
- Managed lead lifecycle activities and pipeline visibility using Zoho CRM, maintaining accurate lead and campaign information.
- Executed targeted email and lead-nurturing campaigns achieving 25%+ open rates across multiple campaign runs.
- Collaborated with Sales to improve MQL-to-SQL conversion, lead quality and pipeline acceleration.
- Prepared and presented demand-generation performance reports and insights to management.

Demand Generation Executive | Cigniti Technologies - India | January 2021 - January 2022

- Executed B2B demand-generation campaigns targeting enterprise technology accounts, qualifying an average of 4 MQLs per month.
- Managed LinkedIn prospecting and engagement, reaching approximately 25 decision-makers daily with a 20% response rate.
- Managed marketing-generated web leads, supporting qualification, follow-up and progression into pipeline opportunities.
- Used Salesforce CRM and Pardot for prospect management, engagement tracking, audience segmentation and automated email/lead-nurturing campaigns.
- Analyzed campaign engagement and collaborated with Sales to improve MQL-to-SQL conversion, lead quality and campaign performance.

Marketing Executive | MovingDneedle Pvt Ltd - India | August 2018 - December 2020

- Supported B2B lead-generation campaigns for multiple US-based clients, generating an average of 4 qualified leads per month.
- Built and maintained a 7,000+ contact prospect database, adding approximately 50 verified records daily using InsideView.
- Executed targeted email and LinkedIn outreach to identify, engage and qualify business prospects.
- Managed prospect data and engagement activities in HubSpot CRM, supporting lead nurturing, pipeline tracking and sales progression.
- Conducted prospect research, data validation and campaign performance tracking to improve target-account quality and lead-generation performance.
